## **NO-SHOW & LATE CANCELLATION POLICY**

**Effective Date: 01/01/2026**

**Practice Name: AmpleHealth**

### **Purpose**

To ensure timely access to care for all patients and to respect provider time reserved exclusively for each scheduled appointment.

---

### **Appointment Commitment**

When you schedule an appointment with our office, **that time is reserved specifically for you**. Missed appointments and late cancellations prevent us from caring for other patients who need timely medical attention.

---

### **Cancellation & Rescheduling Policy**

- Patients must **cancel or reschedule at least 24 hours in advance** of their appointment.
- Appointments cancelled with **less than 24 hours' notice**, or **missed entirely**, may be considered a *no-show*.

---

## No-Show / Late Cancellation Fee

- A **no-show or late cancellation fee of \$100** may be charged.
- This fee:
  - **Is not covered by insurance**
  - Is the patient's responsibility
  - Reflects administrative and provider time costs
- Fees may apply to **in-person and telehealth visits**.

California law allows no-show fees when the policy is disclosed in advance and applied consistently.

---

## First-Time Courtesy

- The **first no-show or late cancellation may be waived** as a one-time courtesy.
- The incident will be documented in the medical record.

---

## Repeated No-Shows

Patients with **two or more no-shows or late cancellations** within a 6–12 month period may be subject to one or more of the following:

- No-show fee enforcement without waiver
- Requirement for **same-day appointments only**
- Requirement for **phone confirmation**
- Loss of advance scheduling privileges
- Pre-payment or deposit for longer visits or procedures

---

## Exceptions

We understand emergencies happen. Fees may be waived at the discretion of the practice for:

- Medical emergencies
- Hospitalization
- Serious family emergencies

---
